My Two Homes is about a little boy named Lenny who is photographing Skye's life since she is student of the week. Lenny goes home with Skye after school. First they go to her dad's house where they do homework, play baseball, and have dinner. Then they go to Skye's mom and stepdad's house where Skye shows Lenny her other room.

But whether Alex is with Mummy or Daddy, one thing stays the same: Alex is loved by them both - always. This gently reassuring story focuses on what is gained rather than what is lost when parents divorce, while the sensitive illustrations, depicting two unique homes in all their small details, firmly establish Alex's place in both of them. Two Homes will help children - and parents -

Unit 2 My Family & My Home. Quick revise. In this unit candidates will learn about some of the science used by scientists to help to look after our families, construct our homes and produce and maintain the property within our homes. This unit is assessed by a one-hour written paper, which is worth 25% of the overall marks for the specification.

Application of knowledge and understanding gained in discussing, evaluating and suggesting implications of data and evidence is also assessed in the ...

change for your child and adjusting to it can be challenging.

Helping children live in two homes | Relate My Two Homes. May 2, 2016 ·. The newest book in the arsenal - Ode to Single Moms. I wrote it because though ALL moms are superheros, there is a segment of the population that is largely misunderstood and ignored. Single moms do all the same things as regular moms - and often also act as the Dad, too. And, they do it alone, with little or no support very often.

My Two Homes - Home | Facebook

My husband, 2 boys and I shared our home for 1 year with my sister, her husband and 2 daughters. I would not have traded that experience for anything! Having 2 living/family spaces was important for "alone nuclear unit" time as we called it but mostly we all hung out together. My sons shared a room and we had our room on one floor.
