- Create tables and lists
- Create and manage references
- Insert and format graphic elements

About MOS A Microsoft Office Specialist (MOS) certification validates your proficiency with Microsoft Office programs, demonstrating that you can meet globally recognized performance standards. Hands-on experience with the technology is required to successfully pass Microsoft Certification exams.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

In this Newbery Honor-winning novel, Gary D. Schmidt tells the witty and compelling story of a teenage boy who feels that fate has it in for him, during the school year 1968-69. Seventh grader Holling Hoodhood isn't happy. He is sure his new teacher, Mrs. Baker, hates his guts. Holling's domineering father is obsessed with his business image and disregards his family. Throughout the school year, Holling strives to get a handle on the Shakespeare plays Mrs. Baker assigns him to read on his own time, and to figure out the enigmatic Mrs. Baker. As the Vietnam War turns lives upside down, Holling comes to admire and respect both Shakespeare and Mrs. Baker, who have more to offer him than he imagined. And when his family is on the verge of coming apart, he also discovers his loyalty to his sister, and his ability to stand up to his father when it matters most.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Shall I compare thee to a Summer's day? With these immortal lines Shakespeare begins his most famous sonnet and perhaps the most famous love poem of all time. But this poem, and more than 100 others, first published 400 years ago in a slim volume entitled Shakespeare's Sonnets, was written by Shakespeare not about a beautiful young woman, but about a beautiful young man, whom Shakespeare addresses as "my lovely boy." If Shakespeare was infatuated with a lovely boy, who was he? If he was a rich aristocrat, as the sonnets seem to suggest, how did Shakespeare make his acquaintance? Who was the Dark Lady described in the later sonnets? And what is the meaning of the Sonnets' enigmatic dedication that refers to the mysterious Mr.W.H.? These questions and innumerable others have perplexed scholars for centuries. No comprehensive answers to the immensely puzzling questions raised by the poems have ever been presented. This book takes a fresh approach to the difficult issues presented by the Sonnets and upsets many cherished assumptions about the handsome young man, the Dark Lady, Mr.W.H. and Shakespeare himself.
