Focus is a rich, varied, carefully levelled course for upper secondary students. Specially designed to motivate older teens, it helps them to track their level and achieve the exam results they need. With its unique blended learning package, Focus is the flexible course that gets results.

There are two versions of Student Book: with and without Online Practice. This version is without Online Practice. Features 12 units, with teaching material designed for at least 8 hours of English a week Unit title phrased as a big question sparks students' curiosity and builds engagement with the topic Students come up with answers throughout the unit and reflect on what they have learnt on the Now I Know page at the end Unit objectives phrased as simplified GSE descriptors appear at the beginning and at the end of the unit helping students see what they have learnt International English box highlights differences between British and American English BBC video clips (topic and story clips) enhance engagement and understanding of the topic One text per unit is factual, allowing students to gain non-ELT knowledge, and another text is a story focusing on a value Clear grammar practice helps students build confidence with the language Strategy boxes help teach all skills

Make learning grammar fun with this series of bright and entertaining workbooks from Heinemann. The Wordsense: Language and Grammar Workbook series provides students with self-contained units of work designed to teach strategies and skills for effective use of grammar and language. Students will be led through an engaging narrative featuring 'cool' characters using language in the context of the varied activities. At the end of each unit there is a self-test for students to check their progress. The workbooks have handy tear-out pages and the pages are hole-punched for easy filing and reference. Key features: fun to read and do, student-friendly language, variety of activities, a broad range of skill levels, can be used independently, end of unit DIY tests with answers, grammar rules clearly explained, spelling strategies, word-building exercises, monster spelling list, hole-punched pages for insertion into English files, flexible format for students to use independently for homework and reference. Contents Wordsense 1 Unit 1 Checkpoint Unit 2 Retro grammar Unit 3 Verbs Unit 4 Adjectives Unit 5 Adverbs Unit 6 Phrases and clauses Unit 7 Test your buzzers please! Answers.

Written by a senior examiner, Regina Teahan, this AQA(B) A2 Psychology Student Unit Guide is the essential study companion for Unit 4: Approaches, Debates and Methods in Psychology. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade

Develop the critical assessment, clinical reasoning, and nursing care skills they need to deliver and practice safe and effective patient care. Each realistic, patient-care simulation focuses on a defined clinical domain, critical knowledge and skills, levels of competency, evidenced-based practice guidelines, National Patient Safety Goals, and research-based design characteristics.
