This comprehensive manual offers direction for every step of the thesis or dissertation process, from choosing an appropriate topic to adapting the finished work for publication.

The sequel to Pyramid Response to Intervention advocates that a successful RTI model begins by asking the right questions to create a fundamentally effective learning environment for every student. RTI is not a series of implementation steps, but rather a way of thinking. Understand why bureaucratic, paperwork-heavy, compliance-oriented, test-score-driven approaches fail. Then learn how to create a focused RTI model that works.

The flag of France is one of the six flags that have flown over Texas, but all that many people know about the French presence in Texas is the ill-fated explorer Cavellier de La Salle, fabled pirate Jean Lafitte, or Cajun music and food. Yet the French have made lasting contributions to Texas history and culture that deserve to be widely known and appreciated. In this book, François Lagarde and thirteen other experts present original articles that explore the French presence and influence on Texas history, arts, education, religion, and business from the arrival of La Salle in 1685 to 2002. Each article covers an important figure or event in the France-Texas story. The historical articles thoroughly investigate early French colonists and explorers, the French pirates and privateers, the Bonapartists of Champ-d'Asile, the French at the Alamo, Dubois des Saligny and French recognition of the Republic of Texas, the nineteenth-century utopists of Icaria and Reunion, and the French Catholic missions. Other articles deal with French immigration in Texas, including the founding of Castroville, Cajuns in Texas, and the French economic presence in Texas today (the first such study ever published). The remaining articles look at painters Théodore and Marie Gentilz, sculptor Raoul Josses, French architecture in Texas, French travelers from Théodore Pavie to Simone de Beauvoir who have written on Texas, and the French heritage in Texas education. More than seventy color and black-and-white illustrations complement the text.

This is the only guide available that contains objective information on every accredited college in the United States--2,200 four-year colleges and universities, and 1,700 two-year community colleges and technical schools. With its clearly laid-out entries and more than 40 indexes, the College Handbook 2018 is also the fastest, easiest way for students to narrow a college search and compare the schools that they're interested in. • comprehensive listings of admission requirements, majors, sports, on-campus activities and campus computing • targeted information for home-schooled students and students considering community college as an option • useful features for black and Hispanic students -tables of early decision and wait-list outcomes show information that can't be found in any other guide • planning calendar and worksheets help students organize their applications and stay on track • updated annually by a team of editors who verify information with each college, making the College Handbook 2018 the best college reference guide available

Surety Companies Doing Business With the United States (US Fiscal Service Regulation) (FISCAL) (2018 Edition) The Law Library presents the complete text of the Surety Companies Doing Business With the United States (US Fiscal Service Regulation) (FISCAL) (2018 Edition). Updated as of May 29, 2018 The Department of the Treasury, Bureau of the Fiscal Service (Treasury) administers the Federal corporate surety program. Treasury issues certificates of authority to qualified sureties to underwrite and reinsure Federal bond obligations. Bonds underwritten by Treasury-certified sureties satisfy bonding requirements, provided such bonds are accepted by the agency bond-approving official. Treasury is amending its regulation to expressly provide that an agency may decline to accept a bond underwritten by a Treasury-certified surety for cause, provided the agency satisfies the requirements specified in the final rule. Treasury is also revising the procedures it uses to adjudicate any complaint received from an agency requesting that a surety's certificate of authority be revoked. This book contains: - The complete text of the Surety Companies Doing Business With the United States (US Fiscal Service Regulation) (FISCAL) (2018 Edition) - A table of contents with the page number of each section
