Pokemon Volt White 2: Starter & Legendary Guide

The release of Pokemon Black 2 and White 2 represents a very significant departure from the well established and traditional game structure for the series, as for the first time in the main series a major pairing of titles has been released as a continuation of the previous story in place of the traditional third title that ties the first two games together. The recent announcement of the next generation of games came without there being an announcement for a joining title, so it seems that ...
