Presidential Impeachment And The New

The Constitution of the United States gives Congress the authority to remove the president of the United States from office in two separate proceedings. The first one takes place in the House of Representatives which impeaches the president by approving articles of impeachment through a simple majority vote. The second proceeding, the impeachment trial, takes place in the Senate.

Presidential Impeachment: The Legal Standard and Procedure ...

Impeachment is the process by which a legislative body levels charges against a government official. Impeachment does not in itself remove the official definitively from office; it is similar to an indictment in criminal law, and thus it is essentially the statement of charges against the official. In some countries, the impeached official is provisionally removed, while in others, they remain ...
