Reflective Practice—Home

A key principle of reflective practice involves self-awareness—an ongoing questioning of how professionals can better relate to the clients they serve. A reflective supervisor (within an organization) or reflective consultant (from outside the organization) supports employees by regularly meeting with them, individually and/or in groups.

About the Reflective Practice Center at CEED—CEED

I use reflective practice as a tool to make my own supervision more effective. Indeed Hay makes the point "Prior analysis of your own practice saves supervision time and enables supervisors to operate at a higher level when they support and challenge you." Reflective practice needs planning on your part in order to be effective and efficient.
