Richard III is the first of Shakespeare's "historical" plays for me. The
story of evil King Richard, who knows no bounds on what he is willing
to do in order to obtain and maintain power, is fascinating and
terrifying.

Romeo and Juliet may be Shakespeare's most known romance, but Cymbeline is home of his most matures...if you can understand it. Let BookCaps help with this modern retelling of Shakespeare's classic tragedy. If you have struggled in the past reading Shakespeare, then BookCaps can help you out. This book is a modern translation of Cymbeline. The original text is also presented in the book, along with a comparable version of both text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

Presents the original text of Shakespeare's play side by side with a modern version, with marginal notes and explanations and full descriptions of each character.

A Midsummer Night's Dream is a romantic comedy by William Shakespeare, suggested by "The Knight's Tale" from Geoffrey Chaucer's The Canterbury Tales, written around 1594 to 1596. It portrays the adventures of four young Athenian lovers and a group of amateur actors, their interactions with the Duke and Duchess of Athens, Theseus and Hippolyta, and with the fairies who inhabit a moonlit forest. The play is one of Shakespeare's most popular works for the stage and is widely performed across the world.

Richard of Gloucester crosses and double-crosses friends and foes alike in a no-holds-barred effort to solidify control of the throne once occupied by his brother, Edward IV. His antics prove fruitful until one final battle with Henry, Earl of Richmond, at the end of the War of the Roses.

Online Library Richard Iii No Fear Shakespeare

Here are the books that help teach Shakespeare plays without the teacher constantly needing to explain and define Elizabethan terms, slang, and other ways of expression that are different from our own. Each play is presented with Shakespeare's original lines on each left-hand page, and a modern, easy-to-understand "translation" on the facing right-hand page. All dramas are complete, with every original Shakespearian line, and a full-length modern rendition of the text. These invaluable teaching-study guides also include: Helpful background information that puts each play in its historical perspective. Discussion questions that teachers can use to spark student class participation, and which students can use as springboards for their own themes and term papers. Fact quizzes, sample examinations, and other features that improve student comprehension of what each play is about.

No English king has so divided opinion, both during his reign and in the centuries since, more than Richard III. He was loathed in his own time for the never-confirmed murder of his young nephews, the Princes in the Tower, and died fighting his own subjects on the battlefield. This is the vision of Richard we have inherited from Shakespeare. Equally, he inspired great loyalty in his followers. In this enlightening, even-handed study, Rosemary Horrox builds a complex picture of a king who by any standard failed as a monarch. He was killed after only two years on the throne, without an heir, and brought such a decisive end to the House of York that Henry Tudor was able to seize the throne, despite his extremely tenuous claim. Whether Richard was undone by his own fierce ambitions, or by the legacy of a Yorkist dynasty which was already profoundly dysfunctional, the end result was the same: Richard III destroyed the very dynasty that he had spent his life so passionately defending.

Presents the original text of Shakespeare's play side by side with a modern version, with marginal notes and explanations and full
