It is therefore no wonder that Greek and Roman political theory is above all else the search for a remedy for the malaise of stasis. Like the great Athenian statesman Solon before them, the philosophers want to save the city from itself, and to create or identify a basis for harmony which will preserve it in unity.

Saving the City provides a detailed analysis of the attempts of ancient writers and thinkers, from Homer to Cicero, to construct and recommend political ideals of statesmanship and ruling, of the political community and of how it should be founded in justice. Malcolm Schofield debates to what extent the Greeks and Romans deal with the same issues as modern political thinkers.
