Steve McCurry - amazon.com

Deshalb interessierten mich die Bilder von Steve McCurry. Sie sind technisch perfekt und bilden das Land über mehrere Jahrzehnte ab. Aber sie idealisieren. Ich empfand es dort oft als nicht so klar, so scharf, so deutlich. In meiner Erinnerung war das Land grauer und oft diesiger und die Wirklichkeit banaler.

unseen images spanning Steve McCurry's extraordinary career. Steve McCurry is known for creating some of the most iconic images of recent times and in this new collection, he shares previously unseen photographs from his incredibly rich archive. *In Search of Elsewhere* takes us across the globe and offers new perspectives on many of the locations that the photographer has already made famous - from India, Myanmar and Cuba, to Kashmir and the white-washed temples of the Himalayas. Each image is reproduced at large format and in remarkable detail and this new compilation reveals the incredible depth of his work. "I compare photography to food, air, and sleep... this creative energy, this impulse, is what gives us purpose, pleasure, joy, happiness and love." Steve McCurry Also available:

Steve McCurry: A Life in Pictures

A stunning collection of photographs of the LGBTQ community in Thailand, from one of the world's most renowned photographers Steve McCurry is the artist behind some of the most iconic images in contemporary photography. His 1984 portrait of Sharbat Gula ("the Afghan girl") on the cover of National Geographic remains widely recognized to this day. Now McCurry turns his attention to Thailand as part of a series of photobooks on LGBTQ communities around the world. Thailand has long had the reputation as one of the most gay-friendly destinations in Asia, particularly Bangkok with its nightlife and its relative openness and safety. While this may be true for tourists and

Online Library Steve McCurry Books

expats, the idea of Thailand as a haven for LGBTQ people and for same-sex couples, heavily promoted by the tourist industry, does not necessarily extend to Thais themselves. While Thailand is home to the largest LGBTQ communities in Asia, the reality for them is less accepting. Discrimination and exclusion targeting LGBTQ people continues despite a nominally progressive stance on inclusion, and same-sex marriage remains illegal. Against this backdrop, McCurry's lushly colored photographs take us into the vibrant LGBTQ community in Bangkok, and this beautifully packaged, affordably priced book gives us a series of close to one hundred moving and intimate portraits of people who are no longer welcome in the community in which they grew up, but who have forged a new life and

Online Library Steve McCurry Books

a new meaning of family in the queer community. *Belonging* was designed by Emerson, Wajdowicz Studios (EWS).

Steve McCurry's iconic images have made him one of the world's most popular photographers working today. Now, for the first time, he shares the stories behind stunning images taken from around the world throughout his extensive career. In the finest documentary tradition, *Untold: The Stories Behind the Photographs* delves into McCurry's personal archive to reveal never-before-seen ephemera, including journals, portraits, maps, and beautifully reproduced snapshots from various assignments. The book is organized into 14 photo stories, each brought to life by narrative text and over 100 lavish, full-

color photo plates. Together, these fascinating documents create a living biography of one of photography's greatest legends.

This portfolio contains a selection of the best and most poignant portraits by Steve McCurry, known and loved the world over for his beautiful and enduring images of the landscapes and cultures of South and Southeast Asia. The collection includes some iconic as well as previously unknown portraits of children, monks, pilgrims and travellers that McCurry has encountered on his journeys throughout Afghanistan, India, Indonesia, Malaysia, Myanmar (Burma), Pakistan and Tibet.

Presents a retrospective collection of the photographer's work over the past

thirty years.

The bestselling behind-the-scenes look at the career of the legendary photographer - now in a new, compact format Now in paperback and re-sized for easy reading, Steve McCurry Untold is the only book to tell the fascinating stories behind McCurry's most iconic photographs. It explores the travels, methods, and magic that gave birth to his evocative images, delving deep into the true stories behind McCurry's most important assignments for National Geographic and beyond - including his reunion with the now-legendary 'Afghan Girl'. Each story includes McCurry's first-hand account alongside specially commissioned essays, ephemera, and personal photographs from his private archive. Featuring beautiful
