Ecce Romani I - A Latin Reading Program , (Teacher's Guide) by Gilbert Lawall, 2000, Prentice Hall edition, Paperback - Third Edition / 3rd Edition edition

The title of this series of Latin books is Ecce Romani, which means "Look! The Romans!" The books in the series will present the Romans to you as you learn the Latin language that they spoke. At first you will meet the members of a Roman family; Latin is the language they use to communicate among themselves. As you continue reading you will meet mythological and historical characters that meant much to the Romans and remain part of our cultural heritage today. You will be introduced to a

vast and colorful world of ancient Mediterranean and European civilizations that included peoples who spoke many different languages, and you will meet people of many different cultures and social levels, ranging from slaves to emperors. You will read passages from many ancient Roman writers and thus come into direct communication with the ancient Romans themselves.

- Introduction.

The title of this series of Latin books is *Ecce Romani*, which means "Look! The Romans!" The books in the series will present the Romans to you as you learn the Latin language that they spoke. At first you will meet the members of a Roman family; Latin is the language they use to communicate among themselves. As you continue reading you will meet mythological and historical characters that meant much to the Romans and remain part of our cultural heritage today. You will be introduced to a vast and colorful world of ancient Mediterranean and European civilizations that included peoples who spoke many different languages, and you will meet people of many different cultures and social levels, ranging from slaves to emperors. You will read passages from many ancient Roman writers and thus come into direct communication with the ancient Romans themselves.

- Introduction.

ECCE ROMANI - a Latin reading course - was first published in 1971. Its aims are to bring pupils quickly to the point where they can read Latin with confidence, and also to give them some insight into life in the early Roman Empire. The reading passages are written in a lively style and grammatical information is dealt with efficiently and sensibly. This second edition is the result of a complete revision and now provides better preparation for examinations at 16+. It consists of five course books (each with an accompanying book of teacher's notes), two companion reference books and a Roman Studies Handbook containing bibliographical references.

Learn to Read Latin helps students acquire an ability to read and appreciate the great works of Latin literature as quickly as possible. It not only presents basic Latin morphology and syntax with clear explanations and examples but also offers direct access to unabridged passages drawn from a wide variety of Latin texts. As beginning students learn basic forms and grammar, they also gain familiarity with patterns of Latin word order and other features of style. Learn to Read Latin is designed to be comprehensive and requires no supplementary material. It explains English grammar points and provides drills especially for today's students. It offers sections on Latin metrics, includes numerous unaltered examples of ancient Latin prose and poetry, incorporates selections by authors such as Caesar, Cicero, Sallust, Catullus, Vergil, and Ovid, presented chronologically with introductions to each author and work. It offers a comprehensive workbook that provides drills and homework assignments. This enlarged second edition improves upon an already strong foundation by streamlining grammatical explanations, increasing the number of syntax and morphology drills, and offering additional short and longer readings in Latin prose and poetry.

Read PDF Teacher Edition Ecce Romani 2

This edition of 'Ecce Romani I - A' offers - discussion of multiculturalism within the Roman empire, consolidated grammar and syntax back matter for easy reference, full English to Latin vocabulary at the end of each book and annotated Teacher's guides.

Provides teachers and students alike with a modern, inviting and structured way to sustain interest and excellence in Latin. Based on the reading of original texts, the course is structured around a narrative detailing the life of the poet Horace, which helps students to develop an understanding of the times of Cicero and Augustus.
