Of all the Eight Essentials, fitness seems to be the hardest one for people to integrate into their lives. Why? Because we 've been taught to think of fitness as a chore, and not as an essential part of our life. Something that 's unpleasant at best, painful at worst but needs to be endured because it 's what we should do.

Based on decades in the trenches, the book shows how to confront and correct bad behavior, increase team performance and inclusion, turn around difficult people and poor performers, get people to do what you want them to do, boost employee motivation and attitude, reduce change resistance and risk aversion, and manage difficult bosses. Wong believes that the best team leaders are problem-solvers and facilitators, so this book provides problem-solving models and tools to diagnose people problems, and facilitative methods, processes, and techniques to correct them. It's an approach that can be personalized to fit any person or situation. Each skill is explained with a well-balanced mix of case stories, examples, strategies, processes, tools, and techniques along with illustrations, graphics, tables, and other visuals to clarify key concepts and their workplace application. To reinforce the most important learnings, Wong includes a “ Memory Card ” and “ Skill
