The Handmade Loaf is a collection of recipes, personal stories and photographs that capture both the breads and the bakers of Europe. With over 80 recipes, many inspired by the bakers profiled, The Handmade Loaf provides a variety of bread staples that range from the rustic to the artisan. They tap into an older knowledge of bread baking while looking at local ingredients and traditional methods with fresh eyes.

This is not just a good book on sourdough. There are also recipes that use yeast and baking powder. The unifying factor is that the recipes are based on breads that the author has experienced (as in both eating and making) all over Europe. The author tells you how to handle the ingredients as well as the breads themselves.
