and Spirits ...**

Few wine books can be called classic, but the first edition of The World Atlas of Wine made publishing history when it appeared in 1971. It is recognized by critics as the essential and most authoritative wine reference work available. This eighth edition will bring readers, both old and new, up to date with the world of wine.

And Mixers And How To Choose Store And
Serve Them

Walton first tells you about wine tasting, wine storage and how to find the right wine for your meal, then tells you about grape varieties and the areas of the world where wine is produced. This book is well illustrated, with pictures of the grape varieties themselves, different vineyards/countries and wine labels.
