In *The Making of Europe: Conquest, Colonization and Cultural Change 950-1350*, Robert Bartlett attempts to answer two fundamental questions about the High Medieval Ages. First, how did Latin Europe, a highly differentiated society comprising only a small territory perpetually in danger from outside threats, come to spread over a continent with a more homogenized culture by the later Middle Ages.

settlement and economic growth took place in Europe during the High Middle Ages, which transformed it from a world of small separate communities into a network of powerful kingdoms with distinctive cultures. In this vivid and provocative book Robert Bartlett vividly shows how Europe was itself a product of colonization, as much as it was later a colonizer, and what this did to shape the continent and the world today.

From our twentieth-century perspective, we tend to think of the Europe of the past as a colonizer, a series of empires that conquered lands beyond their borders and forced European cultural values on other peoples. This provocative book shows that Europe in the Middle Ages was as much a product of a process of
