In her clear, engaging study, Perry argues that Jackie exerted an impressive, enduring cultural influence on Washington and the White House, an influence unsurpassed by other first ladies.

Pricing: The New Frontier by Gábor REKETTYE and Jonathan LIU Published: May 2018 The importance of pricing and price management is growing all over the world, primarily due to the turbulent economic situation, accelerating technological development, the saturation of markets and the globalization of competition. All these trends affect the achievement of company objectives, place prices, pricing and price management in a context that differs greatly from what has been known before. In developing and fast moving economies like India, getting the pricing strategy right is a necessity for the short and long term future of the firm. The pricing decision will impact on the profitability and ultimately on the performance of the firm. Executives and managers responsible making pricing decisions will find this book useful and informative in shedding light on an area that is complicate and complex. – Dr M.K. Nandakumar, Associate Professor of Strategic Management, Indian Institute of Management, Kozhikode, India. Leading technological development across the world requires an in-depth understanding of the impact of the pricing decision and business strategy. This book will give its readers a clear understanding of impact of the pricing decision on the industry, the customer

and its competitors. I fully recommend and endorse this book. – Jeff C.K. Lim, BU Deputy CEO at ASM Pacific Technology Ltd. Singapore. Pricing of goods and services is a critical decision that creates immediate competitive advantage. This book explains the principles of pricing clearly and concisely. It seamlessly knits concept and practice. It is a useful text book but also useful to practicing managers charged with challenging task of pricing goods and services. I strongly recommend the book to practitioners and students. – Professor Abby Ghobadian FBAM, FAcSS, CCMI, Professor of Management, Henley Business School, United Kingdom. At a time when almost continuous change is disrupting nearly all industries and the internet is putting ever more power in the hands of the customer, a book that treats pricing with substance and foresight is a welcome addition to the market. – Professor John R. Schermerhorn, Jr., O’Bleness Professor Emeritus, Ohio University, United States In contemporary business pricing is much more than just the money equivalent of the product value. This book provides a high-quality review of different concepts and issues regarding pricing from different stakeholders’ perspectives. It can be recommended both as students’ textbook as well as a managers’ toolkit for making strategic and tactical pricing decisions. – Professor Mirna Leko Šimi?, Professor of Marketing at Faculty of Economics at J.J. Strossmayer University of Osijek, Croatia Price is the value that is attached to a product or service and is usually the result of complex set of calculations, research and risk analysis. This book provides comprehensive and understandable strategies and tactics that one may use to price a product or service in our current the multi-faceted operating environment. It is a great resource for both practitioners and academics. – Dr Dolores Rinke, CPA, Professor Emerita, Purdue University, United States In a fast-changing world with fierce competition, pricing has

Mars! The Red Planet! For generations, people have wondered what it would be like to travel to and live there. That curiosity has inspired some of the most durable science fiction, including Ray Bradbury's *The Martian Chronicles* and the work of Isaac Asimov. Now the award-winning anthologist Jonathan Strahan has brought together thirteen original stories to explore the possibilities. After reading *Life on Mars*, readers will never look at the fourth planet from the sun the same way again.

Missing for two hundred millennia, the legendary Iconians have returned, bringing with them the secret of interdimensional teleportation across vast interstellar distances. Awakened once more, their ancient Gateways are rewriting the map of the galaxy, and nowhere more than in the *New Frontier*®.... A century ago, the imperial Thallonians separated two feuding alien races, depositing each of them on a new world safely distant from that of their ancestral enemies. Now, however, the Gateways have made it possible for the long dormant blood feud to begin anew. Captain Mackenzie Calhoun of the U.S.S. *Excalibur* and his partner, Captain Elizabeth Shelby of the U.S.S. *Trident*, find themselves fighting a losing battle to keep the horrific violence from escalating, even as they gradually realize the catastrophic danger posed

There's a bar called "The Captain's Table," where those who have commanded mighty vessels of every shape and era can meet, relax, and share a friendly drink or two with others of their calling. Sometimes a brawl may break out but it's all in the family, more or less. Just remember, the first round of drinks is always paid for with a story...even in Thallonian space. Six years ago, long before he took command of the Starship Excalibur, a young Starfleet officer named Mackenzie Calhoun served as first officer aboard the U.S.S. Grissom. Then disaster struck, and Calhoun took the blame. A court-martial led to his own angry resignation from Starfleet...or so it appeared. At long last Captain Calhoun reveals the true story behind the greatest tragedy of his life.

This volume seeks to provide a comprehensive, fair-minded treatment of Education Savings Accounts and will address the rationale for them, the challenges they pose, what it takes for them to work and the political and legal dynamics at play.
