The Palace of Illusions is Draupadi's narration of the epic story of "Mahabharata". It was very refreshing and invigorating to read the story from a female's POV. The writer has beautifully presented us the fierce, vengeful, tender, compassionate, motherly and benevolent side of the powerful Queen Draupadi or Panchaali.

The Palace of Illusions, very much related to its title, is a work that describes Mahabharat, Indian history, from Draupadi's perspective. Well, that is indeed a noble cause. Only until a fancy thought competition begins, it seems, and the author starts hallucinating in her wilderness - terming it as Draupadi's and putting the entire blame on a 'fictional' character's shoulders.

*The Palace of Illusions Quotes by Chitra Banerjee Divakaruni*

" The Palace of Illusions is as grand and tragic as the epic poems by Homer. The story is complex, as political relationships grow and develop, and friends and enemies are created, leading to battles and wars that will eventually destroy them all. I was captivated by the tragic storyline and the fate into which Panchaali was born.

"A new novel from the author of *Oleander Girl*, a novel in stories, built around crucial moments in the lives of 3 generations of women in an Indian/Indian-American Family"--

In this collection, gifted poet and novelist Kim Addonizio uses her literary powers to bring to life a variety of settings, all connected through the suggestion that things in the known world are not what they seem. In "Beautiful Lady of the Snow," young Annabelle turns to a host of family pets to combat the alienation she feels caught between her distracted mother and ailing grandfather; in "Night Owls," a young college student's crush on her acting partner is complicated by the bloodlust of being half-vampire; in "Cancer Poems," a dying woman turns to a poetry workshop to make sense of her terminal diagnosis and final days; in "Intuition," a young girl's sexual forays bring her closer to her best friend's father; and in the collection's title story, a photographer looks back to his youth spent as a young illusionist under the big tent and his obsessive affair with the carnival owner's wife. Distracted parents, first love, the twin forces of alienation and isolation: the characters in *The Palace of Illusions* all must contend with these challenges, trafficking in the fault lines between the real and the imaginary, often in a world not of their making. The stories in this collection have appeared in journals ranging from *Narrative Magazine* to *The Fairy Tale Review*, and include the much loved "Ever After," which was featured on NPR's "Selected Shorts."

In nine poignant stories spiked with humor and intelligence, Chitra Banerjee Divakaruni captures lives at crossroad moments—caught between past and present, home and abroad, tradition and fresh experience. A widow in California, recently arrived from India, struggles to adapt to a world in which neighbors are strangers and her domestic skills are deemed superfluous in the award-winning "Mrs. Dutta Writes a Letter." In "The Intelligence of Wild Things," a woman from Sacramento visits her brother in Vermont to inform him that back in Calcutta their mother is dying. And in the title story, a painter looks to ancient myth and the example of her grandmother for help in navigating her first real crisis of faith. Knowing, compassionate and expertly rendered, the stories in *The Unknown Errors of Our Lives* depict the eternal struggle to find a balance between the pull of home and the allure of change.

From the award-winning author of *Mistress of Spices*, the bestselling novel about the extraordinary bond between two women, and the family secrets and romantic jealousies that threaten to tear them apart. Anju is the daughter of an upper-caste Calcutta family of distinction. Her cousin Sudha is the daughter of the black sheep of that same family. Sudha is startlingly beautiful; Anju is not. Despite those differences, since the day on which the two girls were born, the same day their fathers died--mysteriously and violently--Sudha and Anju have been sisters of the heart. Bonded in ways even their mothers cannot comprehend, the two girls grow into womanhood as if their fates as well as their hearts were merged. But, when Sudha learns a dark family secret, that connection is shattered. For the first time in their lives, the girls know what it is to feel suspicion and distrust. Urged into arranged marriages, Sudha and Anju's lives take opposite turns. Sudha becomes the dutiful daughter-in-law of a rigid small-town household. Anju goes to America with her new husband and learns to live her own life of secrets. When tragedy strikes each of them, however, they discover that despite distance and marriage, they have only each other to turn to. Set in the two worlds of San Francisco and India, this exceptionally moving novel tells a story at once familiar and exotic, seducing readers from the first page with the lush prose we have come to expect from Divakaruni. *Sister of My Heart* is a novel destined to become as widely beloved as it is acclaimed.

An acclaimed novel by the author of *The Mistress of Spices*, and *Before We Visit the Goddess*. Jhumpa Lahiri praises: "One Amazing Thing collapses the walls dividing characters and cultures; what endures is a chorus of voices in one single room." Late afternoon sun sneaks through the windows of a passport and visa office in an unnamed American city. Most customers and even most office workers have come and gone, but nine people remain. A punky teenager with an unexpected gift. An upper-class Caucasian couple whose relationship is disintegrating. A young Muslim-American man struggling with the fallout of 9/11. A graduate student haunted by a question about love. An African-American ex-soldier searching for

redemption. A Chinese grandmother with a secret past. And two visa office workers on the verge of an adulterous affair. When an earthquake rips through the afternoon lull, trapping these nine characters together, their focus first jolts to their collective struggle to survive. There's little food. The office begins to flood. Then, at a moment when the psychological and emotional stress seems nearly too much for them to bear, the young graduate student suggests that each tell a personal tale, "one amazing thing" from their lives, which they have never told anyone before. And as their surprising stories of romance, marriage, family, political upheaval, and self-discovery unfold against the urgency of their life-or-death circumstances, the novel proves the transcendent power of stories and the meaningfulness of human expression itself. From Chitra Divakaruni, author of such finely wrought, bestselling novels as *Sister of My Heart*, *The Palace of Illusions*, and *The Mistress of Spices*, comes her most compelling and transporting story to date. *One Amazing Thing* is a passionate creation about survival--and about the reasons to survive.
