The Town Below The Ground: Edinburgh's Legendary ...

They say it is a metropolis - that miles of streets and houses exist down there - banished forever from the light. Others claim there is no underground city - that the town below the ground isn't real. It is a fairy-tale, no more than legend. The truth, in fact, is somewhere in-between.

The Town Below the Ground: Edinburgh's Legendary ...

Below Scotland's capital, hidden for almost two centuries, is a metropolis whose very existence was all but forgotten. For almost 250 years, Edinburgh was surrounded by a giant defensive wall. Unable to expand the city's boundaries, the burgeoning population built over every inch of square space.

The Town Below The Ground: Edinburgh's Legendary ...

It's interesting in parts but there's just not that much about the actual "town below the ground" itself. The first part of the book covers the geographical history of the area and the original fortifications which became Edinburgh. Then there is some stuff about the actual underground of Edinburgh which was interesting but there just wasn't ...
