The Weapon Wizards is a great companion read to the 2009 Senor and Singer book, Start-Up Nation: The Story of Israel's Economic Miracle. The latter describes how Israel established itself as a major worldwide player in high-tech and biotech, with many of the business founders being former military technology wizards.

Review of The Weapon Wizards: How Israel Became a High ...

It started by using its human wealth and has remained a start-up nation. The Weapon Wizards shows that the merit of the human is the richest resource of our future; builders, fighters and pioneers can enrich a land more than the land enriched them." --Shimon Peres, Israel's president (2007-2014) and prime minister (1984-1986 and 1995-1996)

The Weapon Wizards : Yaakov Katz : 9781250088338

The Weapon Wizards sticks to one major theme throughout: Israel's innovation is the result of decisions taken early in the state's history to concentrate on qualitative advantages on the battlefield, meaning creativity and decentralized decision-making at war as well as the desire not to be dependent on anyone else for Israel's security.
