The champs and challengers, unsung heroes and eccentrics, tragedies and bizarre little-known tales from the history of boxing are all here. This unique assortment of articles comes from the popular Boxing News "e;Yesterday's Heroes"e; column. In this compilation, Alex Daley has delved deep into the archives and interviewed ex-fighters to uncover some of boxing's most intriguing stories. British legends like Jimmy Wilde, Jim Driscoll, Ted Kid Lewis, Jock McAvoy, Benny Lynch, Freddie Mills, Randolph Turpin, John Conteh, and Terry Downes all feature, as do American greats like Muhammad Ali, Sugar Ray Robinson, Harry Greb, Sonny Liston, and Jack Dempsey. Read about the world champion who was sold to a boxing booth by his father, the bareknuckle champ who became an MP, women's boxing pioneers, and the fighter who started a mutiny. Boxing Nostalgia takes you on a journey through British ring history, from the bareknuckle era to the late 20th century, with stories that are often sad, staggering, or downright bizarre.

Seven Pillars of Wisdom is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. 'Seven Pillars of Wisdom' written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.

Abducted. Drugged. Broken. I am plaything, a possession. If I did ever have a name, I don't remember it now. Slaves don't have names. But then, my new Master rescued me and took me into his care. He protects me from the sadistic madman who is determined to steal me back from him. Master's touch keeps me sane. His control keeps me grounded in reality. I am utterly devoted to my savior, but his brand of rescue might leave me more broken than ever. Do I have a hope of finding freedom when he refuses to release my heart? Or is this new form of captivity exactly what I need to survive?

A hard hitting, no punches pulled collection of stories from an Old School doorman. A colourful memoir by a man who has been their, bought the t-shirt and survived to tell the tales. ????? "Couldn't put this down. Fast-paced from the beginning. An intricately crafted memoir. ????? 'Completely gripping' ????? Very entertaining. ????? 'An Intricately crafted trip down memory lane. ????? 'Gripping

"My favorite historical novel . . . a superb re-creation of the Battle of Gettysburg, but its real importance is its insight into what the war was about, and what it meant."—James M. McPherson In the four most bloody and courageous days of our nation's history, two armies fought for two conflicting dreams. One dreamed of freedom, the other of a way of life. Far more than rifles and bullets were carried into battle. There were memories. There were promises. There was love. And far more than men fell on those Pennsylvania fields. Bright futures, untested innocence, and pristine beauty were also the casualties of war. Michael Shaara's Pulitzer Prize–winning masterpiece is unique, sweeping, unforgettable—the dramatic story of the battleground for America's destiny.

The Adventure of Wakefield Born Boxer & Convict Paul Sykes. Including Guns, Gold & Sharks! The only man in the history of man-kind to swim across the Straits of Johor, nobody has ever done it before. Not because of the currents, or anything like that, It's... Sharks! Not shark infested, but of the locals go paddling there. "I know about Sharks, Yeah? Punch em right in the f*ckin ear ole and they swim off" Paul Sykes

Brian Cockerill has ruled his world with an iron fist. Using nothing but his hands as weapons, he has patrolled the streets, clubs and raves of Britain in order to keep order and to 'tax' those whose ill-gotten gains he sees fit to take a share of. Yet despite his appalling record of aggression, Brian is a man who lives by rules and respect.

"An eminently readable comedy of modern war" (New York Times). Men at Arms is the first novel in Evelyn Waugh's brilliant Sword of Honor trilogy. Guy Crouchback, determined to get into the war, takes a commission in the Royal Corps of Halberdiers. His spirits high, he sees all the trimmings but none of the action. And his first campaign, an abortive affair on the West African coastline, ends with an escapade that seriously blots his Halberdier copybook. Men at Arms is the first novel in Waugh's brilliant Sword of Honor trilogy recording the tumultuous wartime adventures of Guy Crouchback ("the finest work of fiction in English to emerge from World War II" --Atlantic Monthly), which also comprises Officers and Gentlemen and Unconditional Surrender.
