In this empowering, accessible guide, Jaclyn Friedman—co-editor of Yes Means Yes—gives young women the tools to decipher the modern world ' s confusing, hypersexualized, sometimes dangerous landscape so they can define their own sexual identity. Friedman decries the hypocrisy and mixed messages of our culture (we ' re failures if we don ' t act sexy, but we ' re sluts if we actually pursue sex; we need to be protected from rapists lurking in bushes, but deserve " whatever we get " if we have a drink at a party and wear a skirt), and encourages readers to separate fear from fact, decode the damaging messages all around them, and discover a healthy personal sexuality. Educational and interactive, What You Really Really Want includes revealing quizzes, creative exercises, and reality-based advice about sex and sexuality today. With Friedman ' s informed advice to guide them, readers will build new skills for safely expressing their sexuality with lovers and explore effective ways to talk about tricky issues with family and friends—and learn how to make the world a little safer for everyone else ' s sexuality along the way.

Setting and sticking to goals can ease stress and anxiety, boost concentration, and make life more satisfying. This updated and revised edition of a trusted step-by-step guide helps teens articulate their goals and put them in writing, set priorities and deadlines, overcome obstacles, build a support system, use positive self-talk, celebrate successes, and more. Updated with new and inspiring stories from teens pursuing their goals, easy-to-use tips for setting and reaching goals, and information on using technology tools to aid in goal setting, the book also includes downloadable forms to use in goal-setting activities.

The Formula gives us direct access to the sacred technology that helps us be accountable for our well-being and all the difficulties we attract. In each chapter, we learn fun, powerful, and simple ways to let go of the baggage that we might be dragging around and start playing the game of life like champions. Included here is the wisdom Dr. Scout Cloud Lee has taught countless leaders of major organizations. Now The Formula is a simple tool we can use in our own lives right now to bring forth our dreams and to fulfill our true purpose. The payback for reading this book will be massive. You will find this to be a delightfully witty book, filled with Will Rogers-style wisdom that will make you laugh and feel like a kid again. You ' ll rediscover yourself, find passage beyond devastation, and renew your faith and enthusiasm. This book is about surviving, thriving, and coming out on top even when faced with tough challenges like cancer, betrayal, bankruptcy, riding through rattlesnake pits on a horse, and other crappy stuff. It ' s a book with a simple and powerful formula for playing the cocreation game with God, the universe, the Great All-That-Is, the Great Doo Da, Ga Ga, and every other name for the Great Provider Gaming Spirit That Dwells Within. It ' s a book about surviving and thriving through cancer, marital affairs, bankruptcy, and other bad stuff. It ' s a book about holy and divine magic. It ' s a book about our sacred technology that allows us to be accountable for our well-being as well as all the crap we attract. When all seems lost, this is a very good book to read, absorb, and live full out. When all seems lost, it ' s time for holy and divine magic! Learn to dig deep! Reach far! Break a sweat! Finish strong!

Heartwork is a synthesis of western psychological processes and eastern meditative techniques developed by psychotherapist and teacher Dale Goldstein from over 37 years of personal and professional work. In Heartwork: How to Get What You Really, REALLY Want, Goldstein brings Heartwork to life through compelling, illuminating teachings and personal stories. His tools for mindfully inquiring into what blocks us from having what we really want in life are ideal for those who find the standard psychological approach to personal growth too limited. Through Heartwork, readers learn to see their blocks as doorways to the spiritual, and the result is nothing short of complete personal transformation. Beautifully illustrated by award-winning graphic designer Richard Wehrman, the book is filled with inspiring poetry and quotations, as well as testimonials from those who have used Heartwork to profoundly change their lives. The hardcover is \$39.95, and includes a CD with music and guided meditations.

Sondra Ray, author of The Only Diet There Is and Loving Relationships I & II, teams with her husband, Markus Ray, to give you the practical tools for having a holy relationship of greater happiness and fulfillment. Sondra Ray, the " Mother of Rebirthing ", reveals how your birth trauma may be affecting your relationships, and what you need to do to clear it. Breathwork gives you breakthroughs. Enter the new frequency of Spiritual Intimacy for " something sacred " to enrich your life. More mainstream than tantra, more ecstatic than most spiritual practices— Liberation Breathing® is an experience every person or couple should try!

The reason that most people don ' t know what they really want is that they cannot be bothered to think about it deeply. They would sooner waste their time on social media or watching nonsense on TV. You will need to spend some quality time away from any distractions and ask yourself several searching questions. You can get what you really want in your life if you know how to go about it in the right way. The first thing that you need to accept is that getting what you want is going to take time and effort. Here is what you will learn with this guide: how to set goals properly and create a plan for achieving your goals how to review your goals regularly and make the necessary adjustments to them how to control your thoughts and avoid negative people how to develop a mental toughness to deal with setbacks and keep you on the right track how to raise your confidence levels to achieve your goals Includes ready sales materials!

"Following the principles put forth in this book will help us all to become the universal humans we were born to be. It's a step towards the conscious evolution of our planet. I endorse this work fully."-Barbara Marx Hubbard, president, Foundation for Conscious Evolution Success gurus recommend setting goals. Ancient spiritual teachings suggest living in the now and "allowing" things to happen rather than "making" things happen. What You REALLY Want, Wants You reveals the secret that's been missing for all those people whose hopeful, positive thinking didn't make them rich or bring them unending contentment and joy. Dr. Toni LaMotta takes the focus off achievement and turns it to the significance of your life as a whole, allowing you to experience the true essence of your desires. By focusing on "The Divine Dozen," twelve innate qualities you already possess, Dr. LaMotta shows you how to identify and focus on what you really want and explains why the things you think are your current goals are only distracting symbols of what you actually seek. With her Spiritual System for Success, you will discover the immense power within you, learn how to access it, and use it to embark on a genuinely fulfilling, meaningful journey. When you enjoy greater abundance in all areas of life, then you know true significance. By focusing on the divine, infinite qualities you already possess, you can obtain more than you ever thought possible-you can get what you really want.

Have Anything You Really Really Want! is a thought-provoking study about the power of positive thinking and the Christian faith. It follows the author ' s own personal journey of faith and discovery as he details how his Christian faith unleashed a positive power—in the attainment of personal, even material goals (including the acquisition of university degrees and a Rolls Royce!), but more significantly in the realisation of far-reaching goals: the discovery of his wife and ultimately the transition from university professor in South Africa to successful hotel-owner in Scotland. An important lesson in the experience of mid-life change is seen in the close dependence on God ' s love and boundless supply for all needs, material and spiritual. From establishing an objective, working out a strategy, and using faith and initiative, this detailed thesis explores the essential principles for personal success and achievement and guides the reader step-by-step through the practical process of attaining his or her goals. In the final analysis, however, it asks whether it is the individual, or the invisible hand of Providence, which engineers the success—even to the extent of changing one ' s original goals, and changing oneself in the process.

For more than two thousand years, the writings of the Confucian philosopher Mengzi have been a source of guidance and inspiration for those set on doing something to improve the state of the world. In Doing What You Really Want, Franklin Perkins presents a coherent, systematic, and accessible explanation of Mengzi's philosophy. He covers everything from the place of human beings in nature, to human psychology and philosophy of emotions, to the various ways in which we can deliberately change and cultivate ourselves. Mengzi was concerned not just with theory but also effective action. Perkins thus includes a collection of practical advice and a Confucian analysis of politics oriented toward how individuals can make a difference in the world. These topics are integrated around Mengzi's philosophy as a way of life dedicated to changing the world, providing an alternative approach for understanding the contemporary relevance of

Confucianism. Mengzi offers theoretical and practical resources valuable for anyone concerned with integrating efforts to improve the world with personal fulfillment and a sense of belonging. Rather than giving an overview, this is a focused work of philosophy that delves deeply into the most relevant themes of Mengzi's thought. The core philosophical system is drawn from Mengzi, but the book regularly incorporates other Confucian materials, making this volume a useful introduction to Confucian thought.

Discovering true desires in life and reaching goals faster is made easier with this manual that provides tips on making a home's environment more loving and cozy and an office space more centered and empowering. With instructions on how to surround oneself with positive images for the mind--and showing how negative ones can sneak into a space--this guide helps alter the energy of a room, changing one's attitude as well as others who are in it. This feng shui method teaches how to focus on what one's desires are, how to create an attractive environment that supports them, and that doing so will help continue to achieve positive results.
