[Used - Very Good ...

On his way back from an ongoing investigation into a serial killer in Scotland, forensic anthropologist David Hunter is asked to examine a fire-death on the remote Hebridean island of Runa. Told only that there is something 'strange' about it, Hunter is intrigued enough to accept - despite the worsening winter weather conditions, and the strain it will put on his already troubled relationship ...

Written in Bone (David Hunter):
Beckett, Simon: Amazon.com ...
I've enjoyed all the David Hunter
books by Simon Beckett, and The
Restless Dead is no exception.
The book is well written, fast-
paced and peppered with
interesting and engaging
characters. However, Simon
Beckett's greatest strength is his
amazing description of place - he
really captures the isolation and
bleakness of the Essex wetlands,
resulting in a claustrophobic
feeling throughout the book.
